

# SPIRIT SERIES

## 17" AND 20" FLOOR MACHINES

### FEATURES

#### Operation

Easy to use fully adjustable handle height system with cord release

Large 5-inch non-marking wheels for easy transport

#### Safety

Mechanical safety lock-out to prevent accidental start-ups

Built in motor with circuit breaker protection to protect motor

#### Durability

Rugged cast aluminum base with non-marking bumper to protect facility

Heavy duty steel triple planetary gearbox for smoother operation and longer life

#### Performance

High torque, 66 frame, dual capacitor induction motor for trouble free operation

**CENTURY**  
**400**™

## 17" AND 20" FLOOR MACHINES

### Technical Specifications

Model:		SPT17	SPT20X
<b>Brush/Pad Speed:</b>	175 rpm	•	•
<b>Pad Diameter:</b>	17" (43 cm)	•	
	20" (51 cm)		•
<b>Pad Driver Diameter:</b> (Pad driver included)	16" (41 cm) Rigid	•	
	19" (48 cm) Rigid		•
<b>Optional Brushes:</b>	Nylon	•	•
	Polypropylene	•	•
	Mild grit	•	•
	Aggressive grit	•	•
<b>Motor:</b>	66 frame, AC induction motor	•	•
	Built-in circuit breaker protection	•	•
	Run and start capacitor	•	•
	1.0 hp single speed, 175 rpm	•	
	1.5 hp single speed, 175 rpm		•
<b>Construction:</b>	Die cast aluminum motor base	•	•
	Die cast aluminum handle housing	•	•
<b>Handle Tube:</b>	1.5 inch (4 cm) cold rolled steel	•	•
	Non-marking PVC grips	•	•
<b>High Mounted Handle Lock/Height Adjustment:</b>		•	•
<b>Heavy Duty Construction, Non-marking PVC Bumper:</b>		•	•
<b>Dual Main Switch Levers:</b>		•	•
<b>Safety Interlock Thumb Button:</b>		•	•
<b>Wheels:</b>	Two, 5" (12.7 cm) x 1.25" (3 cm) non-marking	•	•
<b>Electrical Rating:</b>	120 volt, 60 hertz	•	•
<b>Cable:</b>	50' (15 m)	•	•
	14/3 with strain relief	•	•
<b>Transmission:</b>	Heavy duty steel triple planetary gearbox	•	•
<b>Weight:</b>	105 lbs. (48 kg)	•	
	112 lbs. (51 kg)		•
<b>Dimensions: (LxWxH) Storage</b>	23" x 18" x 47" (58 cm x 46 cm x 119 cm)	•	
	24.5" x 21" x 47" (62 cm x 53 cm x 119 cm)		•
<b>Sound Level:</b>	63 dBA	•	•
